

ECPAC

PRIOR AUTHORIZATION FORM

Federal law requires NECA to obtain “prior authorization” from Member firms before it can communicate more than twice a year with officers or employees of those firms about contributing to its Electrical Construction Political Action Committee (ECPAC). An **original signature** from an officer of the firm, granting prior authorization, must be on file for **each year** for which an authorization is granted. A firm may give authorization to only one PAC for any one year. The authorization language below is required by the Federal Election Commission. ECPAC has no intention of contacting anyone in your firm other than its accredited representative to NECA.

NECA asks that you complete the form below granting authorization for this year. Return the completed form to your Chapter Manager or directly to NECA headquarters. **NOTE:** *Signing and returning this form in no way commits you to any contribution or financial support for the ECPAC Program.*

Completed forms and any questions about the ECPAC Program should be directed to NECA's Director of Government Affairs, 3 Bethesda Metro Center, Ste. 1100, Bethesda, MD 20814-3299, phone (301) 657-3110.

AUTHORIZATION: I hereby grant permission to the Electrical Construction Political Action Committee to solicit voluntary contributions from the executive or administrative personnel of my company for the current year, 2008.

My company has not approved a PAC solicitation by any other organization during this year.
