Request For Papers

We are seeking candidates to share a "paper" at the June meeting in Maine. If you have an idea, we can pair you with a writer who will interview you by phone and work with you to develop a finished product.

Please let Traci know of your interest and topic so we can work together to make this happen.

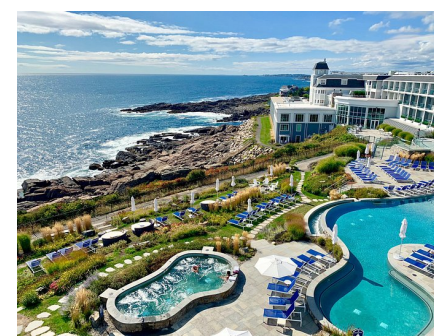

If you'd like to see a list of papers that have previously been presented, click below.

Future Meetings

June 13-15, 2023: Annual meeting at the Cliff House in Cape Neddick, Maine (registration opens late January / early February)

Saturday, September 30, 2023: Reception in Philadelphia, Pennsylvania

Nominations

We installed 13 new Fellows into the Academy of Electrical Contracting during NECA 2022 Austin. Now is the time to consider a deserving person you feel should share this same honor. Are there people in your chapter, district or region that have rendered exceptional service to NECA and the electrical construction industry?

If you have someone in mind, please talk with your chapter executive to see if they are willing to help you with the task. **OR**, you might consider doing it on your own - you will need one other Academy Fellow who agrees to counter-sign the nomination.

The nomination process, forms and instructions are available below. Please contact Diane Jacobson and she'll walk you through the online process and answer any questions you may have.

Traci Walker, Diane Jacobson and John Grau, Secretary of the Jury, are available to work with nominators to present their candidate in the best possible light.

Academy Nominations are due March 1, 2023.

Please remember the confidential nature of the nomination and selection process.
