We tour all the major sites and stop at the Castillo de San Marcos, the coquina stone fort that was never captured in battle. We will also tour inside one of the house museums to see how Louisa Fatio ran her boarding house. St. Augustine was also the first winter resort for the rich and famous during the Gilded Age. Hear how Henry Flagler built the most opulent hotels of the day and turned the city into the "Newport of the South". We also stop at the Venetian Renaissance gem of Flagler Memorial Church. Your guide creates an interactive tour atmosphere which is fun for everyone.

Jacksonville Experience Tour

Noon - 4:30 pm

\$92 per person (includes a box lunch from Ponte Vedra Inn)

Your professional tour guide meets the group at your hotel for an entertaining Jacksonville experience. You can plan to taste, see, smell, touch, and hear the best of the City. We travel downtown to hear of the famous architects who descended upon the city after the Great Fire of 1901. From the ashes grew the most modern city in the world and we step back in time to tour the architecturally rich St. James Building. We visit our unique Jacksonville Memorial Wall and continue the tour by elaborating on the first Hollywood before the "talkies". We then focus on the historic houses in the nearby Riverside/Avondale area and stop at the Cummer Museum of Art & Gardens before you eat and shop in the trendy area of San Marco. The area is famous for chocolate so a snack can be provided on the way back. Your guide creates an interactive tour atmosphere which is fun for everyone.
