

## **Todd W. Stafford - Executive Director**

Todd Stafford is the Executive Director of the IBEW-NECA Electrical Training ALLIANCE. Todd began his IBEW-NECA experience by serving an Apprenticeship with the Baton Rouge Area Electrical Joint Apprenticeship Training Committee. Upon completion of his apprenticeship, Todd continued working as an IBEW journeyman inside wireman and foreman. Simultaneously to his Journeyman employment, Todd also obtained a Bachelor of Science degree in Electrical Engineering from Louisiana State University in 1991. Todd was also an instructor for the NECA-IBEW Joint Apprenticeship Training Program in Baton Rouge for 1988-95. Todd remains a member of Local Union 995, IBEW where he has been a member since 1982.

Todd began working for the Electrical Training ALLIANCE (previously known as the National Joint Apprenticeship and Training Committee) in 1994 as a consultant to develop an Instrumentation and Controls course for the IBEW-NECA team. Todd then became employed full time by the NJATC in 1995 as a curriculum specialist. During this time, he advanced to Director and then Senior Director working on curriculum and training for local JATCs and the National JATC. Todd was appointed Executive Director of the IBEW-NECA Electrical Training ALLIANCE in November 2014.
