GRIEVANCES, DISPUTES, INTERPRETATIONS AND CHANGES

Either party or an Employer withdrawing representation from the Chapter, or not represented by the Chapter, desiring to change or terminate this Agreement, must provide written notification at least ninety (90) days prior to the expiration date of the Agreement or any anniversary date occurring thereafter.

Whenever notice is given for changes, the nature of the changes desired must be specified in the notice, or no later than the first negotiating meeting, unless mutually agreed otherwise.

The existing provisions of the Agreement, including this Article, shall remain in full force and effect until a conclusion is reached in the matter of proposed changes.

Notice of a desire to terminate this Agreement shall be handled in the same manner as a proposed change.

There shall be a Labor Management Committee established and shall be named the Maryland/Virginia/DC Labor Management Committee which shall consist of up to three (3) representing the Unions and up to three (3) representing the Chapters or Employers signatory to this Agreement. It shall select its own Chairman and Secretary. The IBEW Fourth District IVP shall select the Union representatives and the Eastern Regional Director of NECA, or Employer, shall select the Management Representatives.

Grievances, disputes, interpretations and proposed changes under this Agreement will be referred to the Regional Labor Management Committee for handling and resolution.

The terms of this Agreement shall prevail in areas of conflict between the Inside Collective Bargaining Agreement of the Site Local Union and this Agreement.

HOURS/WAGES/WORKING CONDITIONS

The Employer has the right to establish flexible work schedules for the performance of electrical work to satisfy owner and/or customer requirements. No overtime shall be paid until forty (40) hours in the workweek or ten (10) hours in the workday have been worked. The overtime rate

shall be paid at time and one-half (1½) the regular straight-time rate. Sundays and Holidays shall be paid at the overtime rate per the Site Local Union's Inside Construction Agreement. WORKING OWNERS

The employer owner(s) may work with their tools provided they report themselves as a full time Journeyman or CE 3 classification and pays all applicable fringe benefits under the appropriate agreement. Contributions must be paid on all hours worked under the terms and conditions of this Agreement.

SURETY BOND

Each Employer shall furnish a surety bond, or cash equivalent line of credit, in the amount of \$1,000.00 per CE and CW until a maximum of \$12,000.00, to secure payment of all amounts due on account of payroll and fund deduction, contribution, and reporting obligations of the Employer required by this Agreement. The Bond shall provide that it may not be terminated without forty-five (45) days prior written notice to the Atlantic Coast Chapter of NECA.

The Atlantic Coast Chapter of NECA shall have full power to determine the amount of money due, if any, and shall direct payments of delinquent wages from the Bond directly to the affected employees and direct payments of delinquent fund contributions from the Bond directly to the Trustees of the affected funds or to their designated agents.

An Employer who wishes to perform work under the terms of multiple 4th District Regional Agreements may bond at the rate of \$20,000.00 at their home region. The bond may be written to cover all regions. By doing so, the Employer may perform work in all four (4) regions.

REFERRAL

CONSTRUCTION ELECTRICIAN REFERRAL PROCEDURE

1. In the interest of maintaining an efficient system of production in the Industry, providing for an orderly procedure of referral of applicants for employment, preserving the legitimate interests of employees in their employment status within the area and of

2. The Site Local Union shall be the sole and exclusive source of referral of applicants for employment.
3. The Employer shall have the right to reject any applicant for employment.
4. The Site Local Union shall select and refer applicants for employment without discrimination against such applicants by reason of membership or non-membership in the Union and such selection and referral shall not be affected in any way by rules, regulations, bylaws, constitutional provisions or any other aspect or obligation of Union membership policies or requirements. All such selection and referral shall be in accord with the following procedure.
5. The Local Unions shall maintain a register of applicants for employment established on the basis of the Groups listed below. Each applicant for employment shall be registered in the highest priority Group for which he qualifies.

Group I status shall be limited to one Local Union at one time. An applicant who qualifies for Group I in a Local Union shall be so registered electronically and remain on Group I in that Local Union unless and until the applicant designates another Local Union as his or her Group I Local Union. CODE OF EXCELLENCE

The parties to this Agreement recognize that to meet the needs of our customers, both employer and employee must meet the highest levels of performance, professionalism, and productivity. The Code of Excellence has proven to be a vital element in meeting the customers' expectations. Therefore, each IBEW Local Union and NECA chapter shall implement a Code of Excellence Program. The program shall include minimum standards as designed by the IBEW and NECA. IBEW will encourage all CW/CE classifications to attend a Code of Excellence training.

SAFETY

It is the Employer's exclusive responsibility to insure the safety of its employees and their compliance with these safety rules and standards. It is encouraged by all parties to this Agreement for all Employers to develop safe work rules that are equal to or greater than the Standards of Construction, as established by the Occupational Safety and Health Act of 1970, or other applicable federal or state laws. Such rules and the other safety rules provided in this Article are minimum rules and not intended to imply that the Union objects to the establishment and imposition by the Employers of additional or more stringent safety rules to protect the health and safety of the employees. The Employer shall furnish all safety equipment.

TRAINING

The JATC from the home Local Union shall be responsible for, and will be required to, offer classroom and/or online training opportunities for all levels of Construction Wireman and Construction Electricians, as well as Inside Wireman upgrade training for Construction Electricians. To ensure that local JATC's comply, they will be required to provide, on an annual basis, a report to the 4th District Office of the IBEW, the Eastern Region of NECA, the appropriate home NECA Chapter and the home IBEW Local Union, listing the training that was offered, the dates of said training, and the number of Construction Wireman and Construction Electricians taking said training.

Successful organizing and training in the area covered by this Agreement, or in any IBEW Local Union, requires the full cooperation of all the JATC Committee Members, Directors, and Instructors. The Business Manager or Local Union Organizer is to be on the Apprenticeship Committee to ensure there is full cooperation.
